Welcome to Stand Out Youth - Savannah

You are not alone

Adolescence is hard enough when you're straight. Imagine how much harder it is for youth who think they may be gay, lesbian, bisexual, or transgender.

Our Mission

We Offer

The mission of Stand Out Youth Inc. is to foster support and promote understanding of issues facing gay, lesbian, bisexual, transgender or youth questioning their sexual orientation, identity as queer or are straight allies.

Support and resources for LGBT and questioning youth, ages 14 to 23, and for those who work with them or care about them. We are dedicated to building a gay-positive community and instilling pride and confidence in young people through empowerment.
